COMMUNITY FEEDING PROGRAMS

There are more than 500 feeding programs in the Greater Philadelphia area. Most of them are run by volunteers who work tirelessly to provide food to those in need. The Walk is the only fundraising vehicle for many of them, offering them the ability to buy refrigerators, freezers, shelving, and most importantly FOOD! These programs receive 80 to 90% of all the contributions they raise, with only a small percentage retained by the Coalition to cover Walk expenses and infrastructure.

COALITION AGAINST HUNGER

The Greater Philadelphia Coalition Against Hunger works to alleviate hunger through education, outreach and advocacy. We inform and mobilize the community, shape public policy, support community food programs and provide food stamp application assistance. We envision a community in which all Philadelphians have access at all times to sufficient food for a healthy life. For more info, call 215-769-0659 or visit www.hungercoalition.org.
